- Oversee marketing strategy, brand presence, events, and business development initiatives
- Ensure financial control including payroll, reporting, and statutory compliance
- Act as Health & Safety Officer and Environmental Coordinator for the site
- Build strong relationships with guests, partners, and concessionaires
- Lead, coach, and develop a high-performing team in line with F&S Marinas' brand and values

#### **Job Requirements:**

- CMM accreditation from the Global Marinas Institute or 5 years plus experience in a service-related senior manager role
- University degree in business, hotel management, or engineering
- Deep understanding of marina operations, including boat handling and maintenance is a definite benefit
- Strong financial acumen and strategic planning capabilities
- Excellent communication skills and a commitment to safety, service, and sustainability
- Proficiency in emergency procedures, VHF use, and a valid driving license

**Why join us?**

- Lead a world-renowned luxury marina in the heart of the Mediterranean
- Be part of a forward-thinking team dedicated to excellence and innovation
- Work in a dynamic, international environment with exciting career growth opportunities
- Attractive salary, plus private healthcare and Provident Fund
